ADA Bryson-

I just wanted to let you know that I received 2 summonses from you this past Monday: Docket # [REDACTED] CW v. [REDACTED] and Docket # [REDACTED], CW v. [REDACTED]), both scheduled for trial on April 14, 2011. I do not have anything else scheduled that day so far, so I should be available. However, when I looked up lab # [REDACTED], I noticed that I was not the chemist that analyzed the submission, rather Rebecca Pontes was. I have given her the summons you faxed me, but in the future it would be helpful if she was contacted directly regarding that case (please continue to contact me regarding lab #s [REDACTED]). Thank you.
